

2nd QUESTION

```
#include <stdio.h>

int main() {

    int n;

    printf("Enter an integer: ");

    scanf("%d", &n);

    for (int i = 1; i <= 10; ++i) {

        printf("%d * %d = %d \n", n, i, n * i);

    }

}
```
